

HOW TO SUPPORT YOUR CHILD USING GCSEPOD

What is GCSEPod?

GCSEPod is an award-winning expert in subject knowledge of audio-visual, teacher written learning which can help to reinforce GCSE topics cover the right facts, quotes, keywords, dates and diagrams on screen

Tips and Tricks

Watch online or offline

It's possible to download Pods to their mobile device so they can learn on the go!

Favourites

Challenge your child to 'favourite' 10 Pods on topics they find difficult.

Watch the Pods together and use one of our other suggested learning techniques to help simplify what it is they're struggling

Personalised Playlists

Use the My Playlists area to create bespoke playlists.

Having personalised playlists means your child has fast access to Pods that will help fill knowledge gaps.

Support Homework

GCSEPod isn't just for revision, it's to help expand subject knowledge.

If your child is struggling with a piece of homework, you can search for the topic on GCSEPod and use the Pods as an additional resource.

Memory Cards

Watch Pods together and then write down key facts, dates, diagrams and quotes

Test their knowledge to see how much they remember.

Check & Challenge

Use our unique Check & Challenge feature to challenge your child to win at least 10 diamonds for each GCSE they complete.

Check their score against their previous score each time!

How does your child access GCSEPod?

If your child has already activated their account, they simply need to log in with the username and password that was created.

If your child has not yet activated their account, they can do so by following the steps below:

1. Go to GCSEPod.com and click "LOG IN"
2. Click "New User Here" to create a username and password
3. Select "I'm a student" to create a username and password
